Dear parent/carer,

S3 Assessments – April 2024

As we approach the Spring term in S3 and our focus begins to move from the Broad General Education Experiences and Outcomes to Senior Phase and National Qualifications, departments will review a variety of assessment evidence for each pupil to inform final reports on CfE level achieved by the end of S3. Our S3 Assessment period forms an important part of this process. Pupils will complete assessments in each subject area which provides valuable information on strengths and next steps as pupils prepare for S4.

The S3 Assessment period runs from Monday 15th April to Friday 17th May. All assessments will take place in normal class time and teachers will agree dates with classes in advance. Teachers will inform their classes of broad revision areas and ensure pupils are clear on the revision resources they should be using. Pupils should not be anxious about these assessments, but please encourage your child to prepare for them and approach them with ambition. The assessments mark an important step towards preparing for SQA assessments in S4.

Should you have any queries, please contact your child's pastoral PT.

Yours faithfully,

Steven Gould
