Date: 3rd May 2024

Dear Parents/Carer

Change of Timetable

On **Tuesday 28th May** we will change to the new session timetable.

This will take a staggered approach due to some senior exams which are still on.

On Tuesday the 21st May, assemblies will take place at the following times:

Period 6, 2.10pm - S1 moving into S2

Period 6, 2.30pm – S2 moving into S3

Period 7, 3pm – S3 moving into S4

On **Wednesday the 29th of May**, All new S5 and S6 pupils should report to the assembly hall at 9am.

All pupils will receive their new timetables at these assemblies. Any pupils who are involved in the Practical Metalwork Exam can collect their timetables from Mrs Martins office following their assessment.

All pupils who have chosen to study at college or who are studying a course at a neighbouring school as part of the consortium arrangement will not start this course until August. During this final term, pupils will self-study in the allocated periods for college and/or consortium.

No changes will be made to options in this final term. Pupils should attend all timetabled classes. An opportunity will be made available to pupils who are intent on making changes to their subjects in August following exam results.

Senior Leaders will be in school on **Tuesday the 6th** and **Wednesday the 7th** of August to support any pupils who wish to change subjects. A link will be sent out for appointments to be made via school cloud. Parents should make appointments with their DHT Head of House:

Brodie – Mrs Martin

Glen – Mr Gould

Moredun – Mrs Pless

Thornly – Mr Gray

Kind Regards

Debbie Martin
