## Nat 5/Higher leadership

### What will I be learning?

In S5/6, you will attend HFT six periods per week and will study the following topics:

- Leadership principles, styles, skills, and qualities.
- Plan, organise and carry out a complex leadership activity.

### How will I be assessed?

Unit 1 Leadership an Introduction:

An open-book course assignment is completed over 6 hours of consecutive class time in October - Topic leadership principles, styles, and qualities.

Unit 2 Leadership in Practice:

You will plan, organise, and carry out a complex leadership activity - Evidence will be presented in a Folio.

This is a non-graded Higher (Pass/Fail)

### What does homework look like?

You will receive or plan a piece of homework once a week. It is important that you keep up with the homework as best you can as regular revision improves overall attainment.

The homework for Leadership is always posted on Teams for you to access. The homework varies in each Unit.

In Unit 2 the activity you are doing determines your homework.

All course notes can be found on the class team in the Teams app. See your teacher in class if you need help accessing Teams.
