## S1 Reports – May 2024

Dear Parent/Carer,

Your child's S1 Report dated May 2024 was distributed at assembly today. This report gives you important information on your child's effort, behaviour, homework, and progress across all curricular areas. Teaching staff have updated working grades and achieved levels within their subject. In addition, staff have added detailed comments on your child's progress from the date of the last report to the present time, outlining the next steps your child should take to continue to progress further.

Due to staff absence, some subjects will have no report and the tracking information has been carried over from Tracking 1. This affects pupils in Mrs Stewart's RE classes and Miss McCullagh's Modern Languages classes. If you have any specific queries or concerns, please contact Principal Teachers Mrs Moore (for RE queries) or Mrs Meechan (for Modern Languages queries).

Please do not hesitate to contact your child's pastoral support teacher should you require clarification on any aspect of the S1 Report.

Yours sincerely,

*Steven Gould*
