

# S1 and S2 Modern Languages

## What will I be learning?

In S1 and S2 you will have three periods of a Modern Language.

In S1 you will study French as your main Modern Language and you will also learn Spanish.

In S2 you will deepen and broaden your knowledge of French as your main Modern Language and you will also learn German.

In both S1 and in S2 you will study topics such as family, school, town and hobbies. You will also learn about the culture of the country you are learning about and you will have fun!

## How will I be assessed?

In Modern Languages you will be assessed as you go along informally and more formally by summative assessments at the end of a topic.

You will be assessed in the skills of Reading, Listening, Talking and Writing over the two years.

These assessments will help you demonstrate your understanding of the topic to your teacher. Your work will then be graded at bronze, silver or gold level.

Your teacher will share with you how to achieve each level, so you know how to improve your result for the next task.

Don't worry if you need additional support to complete your assessments - your teacher will organise this for you!

## What does homework look like?

You will receive at least one piece of homework per topic.

See your teacher in class if you need help accessing Satchel One, or if you would prefer to complete the homework on paper instead.
