## Quality Improvement – School Review

Dear Parent/Carer

As part of Renfrewshire's Quality Improvement Framework, Gleniffer High School will be involved in a school review on 16<sup>th</sup> & 17<sup>th</sup> September. This process will involve learning observations, focus groups and staff meetings. Your children will see people coming in to classes to look at their learning experiences. They may be involved in focus groups or have members of the review team chat to them around the school.

The review team consists of Head of Service, Education Managers and Senior Leaders from other Renfrewshire schools.

As part of information gathering, staff, pupils, parents/carers and partner agencies are asked to complete a survey which goes directly to the review team.

I would appreciate your support in completing this survey. The link will be sent in a separate text message.

Yours sincerely

Lisa Chalmers
