SQA Attainment Evening

Dear Parent/Carer,

I would like to invite you into the school for our SQA Attainment Evening on Thursday 24th October at 7.30pm. This evening is aimed at parents and carers of S4 to S6 pupils who will be sitting exams in May. During the event we will cover:

- The links between attendance and attainment.
- The current attainment picture based on the last tracking.
- The attainment supports available for pupils.
- The timescales pupils are working to in terms of SQA assignments, exam leave, and final exams.

You will be provided with the latest copy of your child's tracking report and period-by-period attendance report. We have arranged stalls for all departments where staff will be able to show you the subject-specific revision resources your child should be using at home, and they will be able to answer any revision queries.

The aim of the evening is to provide you with all the information you need to support your child in preparing for SQA exams, allowing us to work closely together to realise the best possible exam results for our young people. Please note that on the same evening, we have an event for pupils in S1-S3 which starts promptly at 6pm and is due to finish shortly after 7pm so please plan for parking. Equally, if you have a child in senior and junior school you are very welcome to attend both events.

If you would like to attend, please book a space using the following QR code/link:

Yours faithfully,

Mrs Debbie Martin
Depute Head Teacher
