**How?**

- CLPL for staff in order to be able to deliver NPA Criminology
- Time for all staff to familiarise themselves with the Scottish Studies assessments for their subject and with the Scotland in Focus Unit
- Time to liaise with other schools who are delivering NPA Criminology and Scottish Studies to share materials, moderate assessments etc.
- Vocational subjects in more than one column in order to provide an appropriate pathway for all pupils

Two other subjects will need to provide the units for Scottish Studies in S3/4 in order for pupils to achieve the full award. Need for someone to coordinate at \

whole school level (PT Attainment?)
