Dear Parent/carer

Your child has been selected by the Raising Attainment Team at Gleniffer High School to participate in this year's BGE Mentor Support Group. This fantastic opportunity will help support your child on their journey to attaining their National Qualifications over the next couple of years.

Your child will be given a staff mentor who will meet with them to give them targeted support and help them set goals, targets, assist with homework planning and address any concerns your child may have with their subjects.

I hope you and your child will fully engage in this fantastic opportunity and The Raising Attainment Team are very much looking forward to making this a worthwhile experience.

Any questions please don't hesitate to contact.

Kind Regards
