## Study Support Session

Dear Parent/Carer

I would like to invite you to a session designed to help you support your child's study at home.

As we all know, good attendance and hard work in school goes a long way towards ensuring young people make good progress in their learning. However, it goes much further with a solid study plan and techniques which help them learn and apply the knowledge and skills.

**Parents and Carers of S3-6 pupils are invited to attend a one-hour workshop on Thursday 27<sup>th</sup> February 6.00pm-7.00pm.**

We will look at the different types of study techniques, which are helpful for consolidating learning, as well as advising on what an effective study plan will look like.

We would advise bringing your child with you to this interactive session.

Please confirm your attendance in advance by Wednesday 26<sup>th</sup> February by completing this invite.
